IMBA Version

Please note that all versions of IMBA incorporate the core functionality provided by the “Base Unit” of previous versions of IMBA Professional Plus (IPP) and include the additional radionuclides formerly in Add-on Packs 1 and 2, and the “Candu Models”.

IMBA^{Plus} includes the following Add-Ons:

- Multiple Intake Regimes
- Multiple Bioassay Types
- Associated Radionuclides
- Uranium Mixtures
- Uptake from Wounds

IMBA^{Pro} includes all the Add-Ons in **IMBA^{Plus}** and also:

- Errors on Intake
- Bayes Implementation
- Tritium tool
- Compensation Type Calculations
- Ingrowth of Americium
- Statistics Package

I would like to order:

- IMBA^{Lite}** (£2,600)
- New purchase
 - or upgrade from previous versions of IPP (£) (see Note 3)
- IMBA^{Plus}** (£5,200)
- New purchase
 - or upgrade* from IMBA^{Lite} (£2,600 + £1,000 administration fee)
 - or upgrade from previous versions of IPP (£) (see Note 3)
- IMBA^{Pro}** (£7,800)
- New purchase
 - or upgrade* from IMBA^{Lite} (£5,200 + £1,000 administration fee)
 - or upgrade* from IMBA^{Plus} (£2,600 + £1,000 administration fee)
 - or upgrade from previous versions of IPP (£) (see Note 3)

All prices quoted are exclusive of VAT.

Note that upgrades from versions that preceded IMBA Professional Plus (e.g. IMBA Expert editions) are excluded from this offer and a new licence will need to be ordered at the full list price.

**For all upgrade orders from another version of IMBA,
please include the previous IMBA licence number:**

Licences

IMBA Software is licensed to the End User on the terms and conditions set out in the End User Licence Agreement (the "Licence"), a copy of which is available online, pre-installation of the IMBA Software, and/or accompanying this order form. IMBA is only licenced under the terms and conditions of the Licence. Please note that any Customer terms and conditions supplied to the UK Health Security Agency (UKHSA) will not be considered.

The Licence is valid for up to a maximum of 5 Users. If more than 5 Users are required then please add an extra 10% per additional User to the full purchase price as given above. Please tick one of the following boxes:

- I only require a Licence for up to 5 Users
- I would like to extend the Licence for an additional Users.
(at an additional cost per user of 10% of the full purchase price).
- I would like to extend the Licence of an existing IMBA licence for an additional Users.
(at an additional cost-per-user of 10% of the full purchase price + £ 1,000 administration fee).

Please include the previous IMBA licence number:

The total number of Users covered by the Licence will be

Total Cost

IMBA Licence	£
Additional Users	£
Administrative fee (if applicable)	£
Total Licence Fee (excluding VAT)	£ _____

VAT Registration number (UK customers)

The IMBA Software package ordered is owned by the UK Health Security Agency. End Users will be bound by the terms and conditions set out in the End User License Agreement in the Software (a copy can be supplied in advance) and any person/organization ordering on behalf of an End User will be bound by UKHSA Terms and Conditions, a copy of which will be supplied with the Contract Specification form if the order is accepted.

Ordering procedure

1. Send this completed form to the "IMBA - Team", either by email imba@ukhsa.gov.uk or by post (Internal Dosimetry Group, UKHSA - RCE, Chilton, Didcot, Oxon. OX11 0RQ UK).
2. On receipt of a completed order form and once the license fee has been paid in full, an installation package for the IMBA Software will be made available for digital download. (**N.B.** For speed, cost and environmental reasons, direct digital download is now the only method of delivery).
3. The cost of upgrades from previous versions of IMBA can be calculated using the formula (cost of new licence – cost of previous licence) + £1,000, where the cost of the previous licence exceeds that of the new licence the only charge will be a flat £1,000 administration fee.
