## PHE Centre for Radiation, Chemical and Environmental Hazards, Leeds (CRCE)

Tel: 0113 267 9041  
Fax: 0113 261 3190

### Transport

Our premises are located in north Leeds. It is approximately 5 miles north of Leeds City Centre, with its coach and train stations, and approximately 5 miles south-east of Leeds/Bradford airport. If arriving by coach or train, it is recommended that visitors hail a taxi outside the train station to take them to site. Likewise, visitors arriving by air should take a taxi from outside the airport.

#### Air

Our premises are 15 minutes by car from Leeds and Bradford Airport, taxi service available from airport.

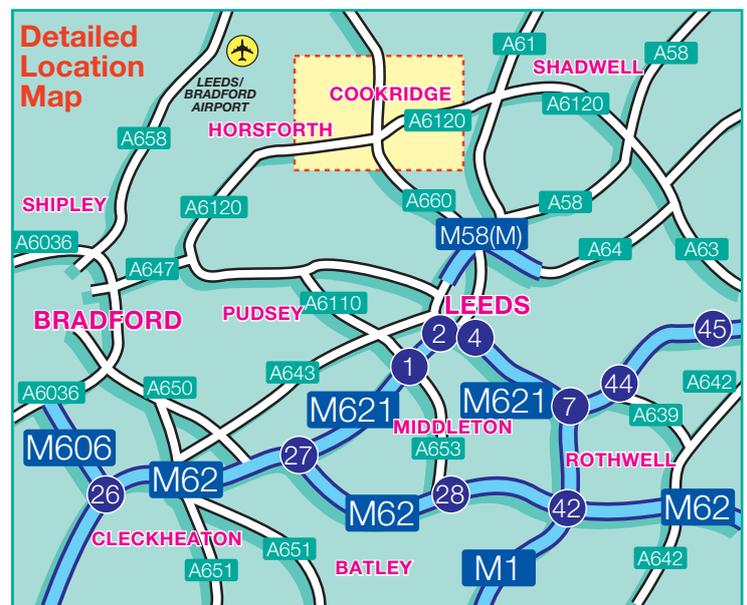

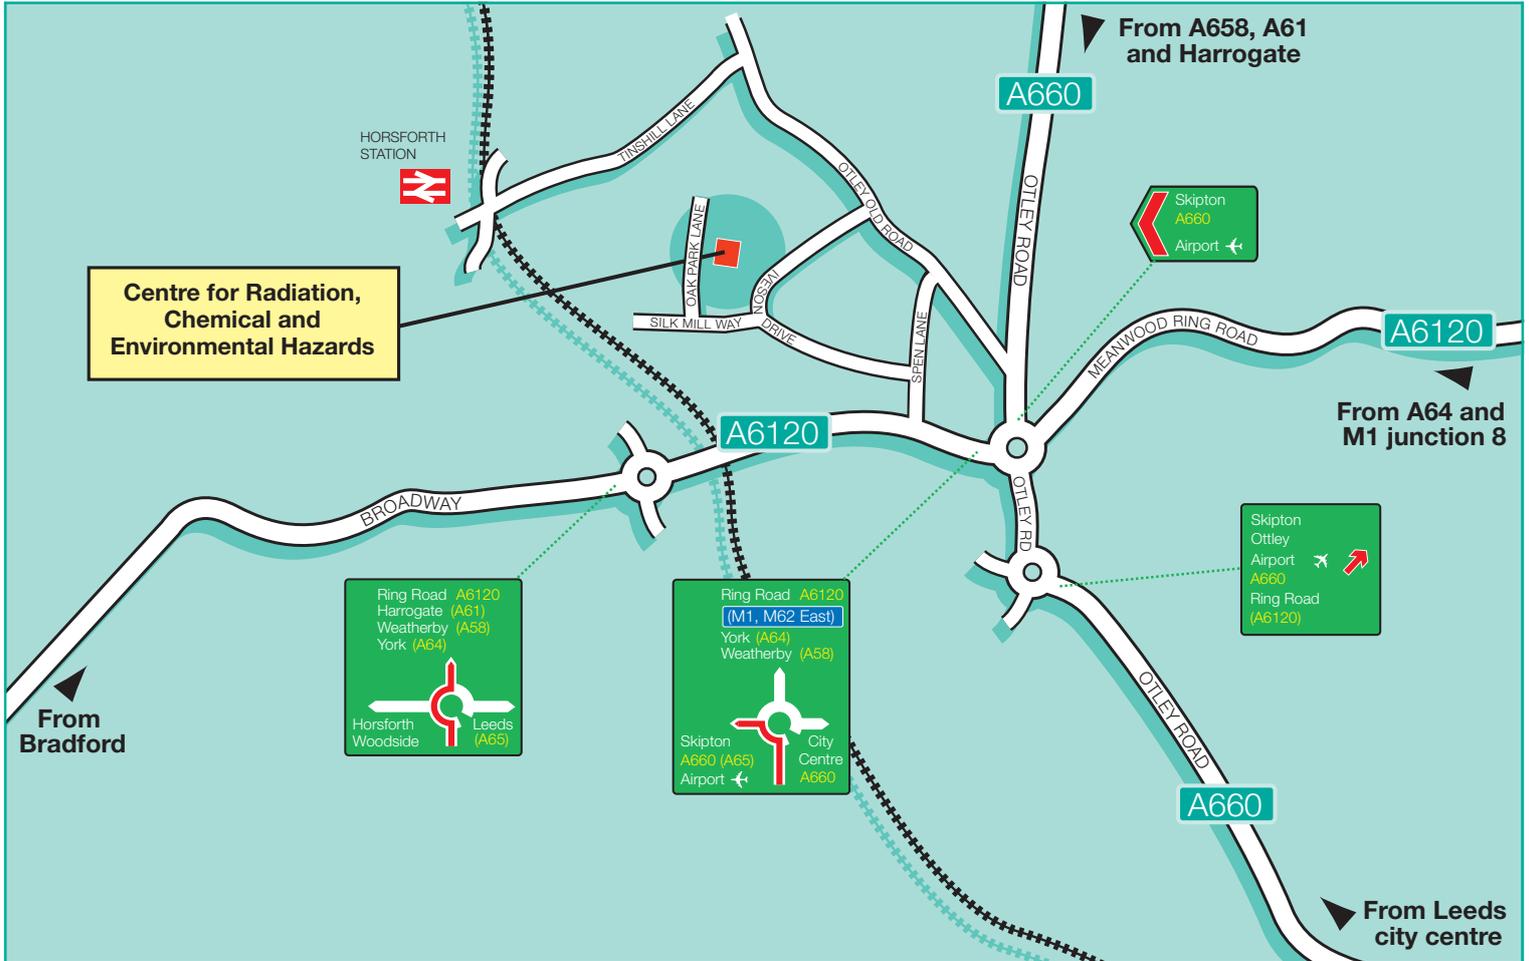

#### Rail

Our premises are about 6 miles from Leeds City Station, 30 minutes by taxi.

#### Road

See page 2

**Road** If you are using a satellite navigation system, enter the postcode LS16 6RU. When you reach Oak Park Lane, continue up the hill and our offices are on the right, behind the wooden gates, which should be open when you arrive.

### Arriving from the south

- between junction 42 and 43 the M1 becomes the M621. Do not continue on the M1 by crossing into the left hand lanes. Instead continue straight on under a flyover and into Leeds.
- turn off at junction 2 of the M621 and then turn right following signs for Leeds City centre and the A643.
- after approximately 1 mile you reach a large roundabout where you should take the third exit, following signs for the City centre and the A58.
- at the third junction on the A58, and just after you have been through a long tunnel, leave the A58 and follow signs for Headingley and the A660.
- stay on the A660 for approximately 5 miles until you reach a large roundabout on the Leeds outer ring road, the A6120. Turn left at the roundabout onto the A6120 and keep going until you reach a set of traffic lights.
- turn right at the traffic lights onto Spens Lane. Take the first left onto Iveson Drive and keep going for approximately half a mile. At the top of the hill turn left onto Silk Mill Way. Take the second right turn onto Oak Park Lane ('The Park' housing estate); the car park to our premises is the second turning on the right.

### Arriving from the west

- turn off the M62 at junction 26 and follow the M606 following signs for Bradford. You will eventually pass under a roundabout and immediately after this you will come to a set of traffic lights. As you pass through these lights you will in effect turn back on yourself and climb up to join the roundabout that you have just passed under. At the roundabout turn left, following signs for Bradford City centre and the A6177.
- stay on this road for approximately 1 mile, heading straight on at the first roundabout outside the Asda superstore.
- go straight on at the next roundabout and then turn right approximately 50m after you leave the roundabout, just past the Bay Horse public house, following signs for Leeds.
- stay on this road for a couple of miles until you come to some traffic lights with a Travelodge to your right. At these lights you must be in the outside lane so that you enter the large roundabout, immediately after the lights, in the lane that will enable you to take the second exit onto the A647 towards Leeds.
- stay on this road for approximately 1 mile, heading straight on at the first roundabout, but then turn left at the second onto the Leeds outer ring road, the A6120, towards Horsforth.
- continue straight on, on the A6120, for approximately 5 miles. After passing McDonalds on your left and a Texaco petrol station on your right you need to turn left at the traffic lights onto Spens Lane.
- take the first left onto Iveson Drive and keep going for approximately half a mile. At the top of the hill turn left onto Silk Mill Way. Take the second right turn onto Oak Park Lane ('The Park' housing estate); the car park to our premises is the second turning on the right.

### Arriving from the east

- leave the M62 at junction 29 and turn right onto the M1/M621 for Leeds.
- once on the motorway, ensure that you cross into one of the three outer lanes before the next junction, since the two inner lanes become the M1 and take you away from Leeds. The three outer lanes become the M621 and take you into Leeds, under a flyover.
- now follow the instructions in the second paragraph onwards for arriving from the south above.

### Arriving from the north-east

- leave the A1 at junction 45 and turn right at the roundabout onto the A64 towards Leeds.
- after approximately 5 miles on the A64 you will come to a roundabout on the Leeds outer ring road, the A6120. Turn right onto the A6120 heading towards Roundhay and Cookridge.
- stay on the A6120 through a set of traffic lights, a roundabout, another two sets of lights, two further roundabouts and two more sets of traffic lights until you reach a large roundabout that intersects with the A660.
- at this roundabout proceed straight on following the A6120 and keep going until you reach a set of traffic lights.
- turn right at the traffic lights onto Spens Lane. Take the first left onto Iveson Drive and keep going for approximately half a mile. At the top of the hill turn left onto Silk Mill Way. Take the second right turn onto Oak Park Lane ('The Park' housing estate); the car park to our premises is the second turning on the right.

### Arriving from the north-west

- it is recommended that those coming to Leeds from the Preston, Lancaster or Lake District areas use the A59 or A65 to reach Skipton and then follow the A660 to reach Leeds.
- the A660 diverges from the A59 at a roundabout to the east of Skipton. This road then passes through Ilkley and by-passes Otley.
- from Otley, continue approximately 7 miles on the A660.
- soon after you pass an Esso garage on your left, the road becomes dual carriageway and at the end of this dual carriageway is a large roundabout on the Leeds outer ring road, the A6120.
- turn right at the roundabout onto the A6120 and keep going until you reach a set of traffic lights.
- turn right at the traffic lights onto Spens Lane. Take the first left onto Iveson Drive and keep going for approximately half a mile. At the top of the hill turn left onto Silk Mill Way. Take the second right turn onto Oak Park Lane ('The Park' housing estate); the car park to our premises is the second turning on the right.
