Laser Safety Refresher Course

16 September 2020

We are pleased to offer a Refresher day following those who attended the Laser Safety Officer course in the past. It will cover developments in laser safety and particularly specific techniques now included in the Laser Safety Management course.

The Laser Safety Forum will include material that is important for delegates requiring refresher training. Therefore, it is necessary to attend both days.

The format of the course will be a balance of formal presentations and syndicate/workshop exercises, with time to discuss specific issues. Numbers will be limited to ensure that participants will achieve maximum benefit from attendance.

Attendance Fee: £475 (includes the fee for the Laser Safety Forum)

NOTE – Bookings must be received by **30 October 2020**.

Please Book Our Laser Safety Courses and Forum online at:
